"DANGER—GIRLS WORKING!"

—SENIOR PLAY

This group of eleven jovial actresses went "all-out" for action when they presented "Danger—Girls Working!", the senior class play of 1943, on the evening of May 7.

Because so many boys were working, the class decided to stage the play with an all-girl cast. After hours of practice under faculty director, Miss Elsa Anderson, and student director, Isabel Bodey, the feminine players exhibited their polished performance which delighted its customers, the public.

COMPANY NIGHT—JR.-SR. RECEPTION

Sailors, lifeboats, portholes, and flags enlivened the upperclassmen's "company night" when the juniors sponsored the Junior-Senior Reception of 1942. A huge Uncle Sam stood at the helm of the gym floor.

The air force was the theme of the 1943 reception.

We pay tribute to Paul Phillips with whose death in December, the class of 1943 suffered the loss of a fellow classmate and friend.

Quiet and sincere, Paul showed interest in intramural sports, especially boxing.

Coming to B. H. S. from Willard in his junior year Paul made many new acquaintances in his class and he is indeed missed.

CLASS SONG OF 1943

Tune: "There Are Such Things" — Words by Sue Henderson

Farewell to you, dear Bellevue High
 We hate to leave and say "Goodby"
 We'll tread the path to fame in all the years to come
 For our dear days with you have fled one by one.

To all our friends and schoolmates, too,
 We wish you luck, for we'll miss you
 We'll face the future with the facts that we have learned from thee
 We bid farewell—The Class of '43.

GIRLS' ATHLETICS

VOLLEYBALL was carried on as a homeroom contest instead of with all-girl teams. The girls of 117 did a good job of helping to bring the championship to their home room.

The girls' activities began with a PING-PONG tourney conducted in single-elimination fashion. After three weeks of frantic swishing of paddles and dizzy bobbing of balls, Jacqueline Lepley emerged as school singles champion, while Joyce Heilman and Mary Louise Herbel took the doubles honors.

The BADMINTON tourney was conducted in the same manner. Mary Louise Herbel captured the school singles championship; and partners, Joyce Heilman and Mary Louise Herbel, took the doubles championship.

BASKETBALL is still a favorite. Seven teams appeared for battle, boasting such names as the Green Gamblers, the Six Dames, the Jeeps, the Sloppy Joes, the Basketts, the Screwballs, and the Whirlwinds. The tournament was held in round-robin style. The final play-off between the Jeeps and the Sloppy Joes, each of whom had won 4 out of 4 games, resulted in victory for the Sloppy Joes, who came out on the long end of a 7 to 11 score. The Sloppy Joe team, a four-year winner, was made up of Mary Louise Herbel, captain, Joyce Heilman, Connie Meesig, Betsy Wright, Beth Hankammer, Peggy Kirwan, Rose Gerber, Evelyn Cooper, and Jacqueline Lepley.

Two all-star teams were selected: Joyce Heilman, captain, Jean Heilman, Beth Hankammer, Marjorie Doane, Jacqueline Young, Connie Meesig, Rose Gerber, Josephine Vitello; and Mary Louise Herbel, captain, Eleanor Burnett, Donna Andrews, Connie Connors, Mary Suriano, Annie Vitello, Charlotte Bingel, and Betsy Wright. Jacqueline Young and Charlotte Bingel are the only freshmen who received this honor.

BOWLING was introduced here this spring. Using the facilities of the bowling alley up-town, teams bowled two nights a week after school.

Warm spring weather found many girls with bats and balls playing games of softball.

SWIMMING is also included in the curriculum of girls' athletics. Although not as extensive as other sports, it affords many pleasant hours to the gym classes.

G. A. A.

G.A.A. activities were somewhat different this year. Girls participating in intramural activities receive points which enable them to become members of G.A.A. Points vary according to the activity. Eighty points are required for membership, one-hundred and fifty entitle a girl to a pin, and two hundred and fifty points gain a letter award.

1943 winners of girls' athletic "B's" are Mary Louise Herbel, Joyce Heilman, Connie Meesig, Rose K. Calienni, and Annie Vitello.

Other members of the club are: Dorothy Bradford, Marjorie Bruckner, Eleanor Burnett, Evelyn Cooper, Helen DeLuca, Marjorie Doane, Martha Fox, Mary Louise Gabel, Beth Hankammer, Jean Heilman, Dolores Heter, Gene Kingman, Claradell Morris, Gertrude Regan, Josephine Serraino, Martha Sherman, Rita Sliter, Mary Suriano, Josephine Vitello, and Betsy Wright.

Miss Betty Hendrickson supervises girls' athletics.

STRIKE?

The Girls' Physical Education Department has turned out many sport champions from the assembly line of 1943.

The activities were varied, as the pictures illustrate, and took on more importance this year, since points earned by intramural participation leads to membership in G.A.A.

AQUATICS — MARINE EQUIPMENT

This group of athletic girls is about to be labeled "Marine Equipment."

Foreman Miss Hendrickson puts them through work-outs and tests until they come up to production standards. Specializing in formations, rhythm stroking, and improved form, this club brings to the members bodily vigor—and fun!

Aquatics members helped supervise grade school students' swimming nights and met on Wednesday evenings for their regular meetings.

Members: Alice Abel, Dorothy Bradford, Eleanor Burnett, Rose Calienni, Evelyn Cooper, Helen DeLuca, Marjorie Doane, Maureen Englund, Martha Fox, Nancy Frost, Beth Hankammer, Evelyn Hazelback, Joyce Heilman, Dolores Heter, Rachel Hickson, Joan Hunt, Tonnie Kerstetter, Marjorie Klein, Eugenia Lamb, Charlene Radkey, Martha Sherman, Rita Sliter, Francis Tucker, Ruth Tucker, Betsy Wright.

RED CROSS LIFE SAVING

The year 1942-43 marked the fifth season since swimming became an organized sport at Bellevue. This year the sport was modified and a swimming club composed of twenty boys took the place of the swimming team.

Meeting once a week with Coach Sam Cooper, the club concentrated on improvements of swimming and diving. Although no school or pool records were broken or set, the following members of the club completed the Junior Life Saving course presented by the American Red Cross: Robert Canfield, Dale Campbell, Robert Crecelius, Joe Disandis, Arvid Englund, Victor Greenslade, William Kistler, Frank Konst, James Videan, Dennis Whalen, John Yoder.

The highest score in the test, a 96, was made by Arvid Englund, a junior.

Other members of the club are: Joe Artino, Roy Gibson, Donald Lamb, Donald McClintock, Charles Miano, Russell Ruppert, Gene Alexander, and Richard Ruppert.

THE TRACK FIELD—PROVING GROUND

Track interest was kept alive this year despite war conditions which have compelled many other schools to discontinue the sport for the duration.

An interclass meet opened the season on April 22, when the Junior-Sophomore combination defeated the Freshmen and Seniors, 62-56.

The track team was selected by Coach Cooper from the 50 boys who turned out for this meet.

Meets with Norwalk, Monroeville, Republic, Castalia, and Milan were being scheduled when the Comet went to press.

MAT MARVELS

Climaxing a successful intramural program was the "Intramural Festival," March 26, in which nearly 250 gym-class students took part.

The glimpses above of the calisthenics drill, commando course, tumbling, and roller skating demonstrated to the public the types of sports, athletics, and games carried out in the B.H.S. physical education program. Other events included baton twirling, gym hockey, girls' dance, wand drill, obstacle races, weight lifting, relays, ping-pong, and boxing.

Clown boxing, two novelty tap dances, and a gun twirling exhibition were additional entertaining features.

King Robert Redd and Queen Mary Louie Herbel, elected regents by the students, reigned over the evening's festivities.

Donald Stoldt announced and explained briefly each event over a public address system.

The sports night was directed by Miss Betty Hendrickson and Mr. Samuel Cooper, physical education instructors.

WINNING COMBINATION

ROBERT GREEN—"Taylor", a sophomore, also earned his second letter. Bob proved to be high-point man of the season. With Dudley and Green returning the Redmen will not be without experienced men next year.

JAMES HAYES earned a manager's letter by refereeing the scrimmages and tallying the shot chart.

DAVE HARTMAN earned a letter as head manager. He kept the valuable digit chart. Manager DON STOLDT was entrusted with the scoring duties as well as other jobs of a manager.

THE RESERVES

The Reserve season was a successful one with Coach Strobel's charges winning nine out of twelve games. Coach Alloway assisted in the tutoring. Minor award winners, who played both Reserve and Varsity are: Louis Castrovine, Fred Friend, Charles Hickman, and Wilson Loudenslagel.

BASKETBALL VARSITY

TOP ROW: James Hayes, manager; Don Stoldt, manager; Mr. Alloway, coach; Mr. Strobel, coach.
FIRST ROW: Eugene Dudley, Robert Green, Cyril Gerber, Cal Ruffing, Eugene Frost, Robert Redd.

THE LETTERMEN

EUGENE FROST—"Bo" was a mainstay in the building of this year's team. Even though small he was always on the job, scoring his typical long shots, to insure him a top rung in scoring.

CYRIL GERBER—Pivot man "Cy" could always be counted on to get the needed rebounds. Gerber always gave the fans a thrill when he made one of his special hook shots.

BOB REDD—Bob, elected honorary captain at the close of the season, was one of the peppiest players of the team. His guarding was a definite asset. His hard work and pep talks helped keep morale high.

CAL RUFFING—Cal played in a tough position but did a good job. In the absence of "Cy", he could always be counted on to give a dependable performance.

EUGENE DUDLEY—"Mose" in his second year on the varsity gave spectators many a thrill. His ability in passing has given countless scores to his teammates.

THE BASKETBALL

The Alumni defeated the Redmen by only three points 30-27. Too much Christmas vacation for the high-school lads!

The Norwalk Maple Leaves at Bellevue on the night of January 8, received a league defeat as the Redman held them to two points in the third quarter and won, 36-32.

At Port Clinton on January 15, the Redmen lost in a photo-flash ending when the "Sailors" came out victorious, 33-29.

A victory for Bellevue! Willard, the third league opponent, never had a chance on January 22. B.H.S. scored 22 points in the last quarter alone and won, 54-25.

Vern Hoffman's Tygers of Mansfield were tall and fast, and although the Bellevue quintet succeeded in holding down a rally, and in spite of Bob Green's total of 18 counters in the last quarter, Vern's boys won 50-43.

The Little Giants of Fremont invaded the local floor on February 2, only to go home on the short end of a 42-36 score. Dudley and Green, sophomores, paced the locals again with 14 each.

With two league victories already to their credit, the Redmen visited Norwalk and stamped them again to the tune of 54-24. The Redmen made 9 fouls in succession, not missing one until the final minutes of the game.

Port Clinton entered the Redmen Wigwam seeking another victory on February 12, but the locals won this one by the nerve-wracking score of 38-37.

For an easy win, the Redmen toppled Willard the second time 52-38. Green and Frost, who scored 17 and 16 points, were the sparklings of the evening.

Fremont Saint Josephs, trading at the Redmen Camp for the first time, were turned down 33-28 on February 27.

THE TOURNEY

Bellevue was honored by being selected as the tournament site this year, with Principal Edward Masonbrink as manager. Ten class A teams from Northwestern Ohio were entered. Port Clinton won the tournament by defeating Ashland 52-31 in the finals.

The Redmen drew Tiffin Columbian as their first opponent. Although they had lost to them earlier in the season, the locals downed the visitors 35-29.

Another Tiffin team, Junior Order Home, was encountered the second night. They had previously been selected the best team in the District but were soundly trounced by the Redmen, 52-38.

In the final week of the tournament the locals met defeat March 6, at the hand of Ashland, 49-39. However, the Redmen were in the race until the finish of the game.

Figures were compiled and the 1942-43 basketball season came to a close, still keeping the tradition of good, clean sports and athletics.

ARE FIRED FOR VICTORY

FOOTBALL SENIOR LETTERMEN

DARRYL BALDWIN—"Turtle" finished his third year as a varsity letterman. He played nearly every position in the line, and played them all well. Last year, playing from the guard position, he scored Bellevue's first touchdown of the year on a freak fumble.

ED DIDION—He is quiet to talk to, but "look out" for him on the field. Opponents found that heavy frame of his hard to move, especially when it was going the other way. He filled a tackle position.

BOB REDD—Playing his first year of varsity football, this diminutive little halfback proved his worth by playing nearly every minute of the season. Many a big enemy tackle found himself with a handful of nothing in trying to hook on to Bob's 136 pounds.

GENE SANDERS—"Cooch," honorary captain, was the squad veteran, having played varsity ever since he was a freshman. Probably the hardest working defensive player on the team, he was in on practically every tackle made. He didn't carry the ball much; but when he did, it usually went a distance before stopping.

DONALD STOLDT—Playing his second year on the varsity, Don usually teamed up with Didion, and his 200 pounds along with Ed's, were walls against the opposing teams.

DONALD WEITHMAN—Capably managing the end position, Don was usually up in the air to snatch passes. In the Norwalk game Don and Steve Valko staged a 35-yard pass play, but Don, the interceptor, was tackled before crossing the goal.

THE BASKETBALL SEASON

When Coach Harry Strobel took over the reins as basketball coach, he found an aggressive basketball squad including five returning lettermen.

Their start was in a slow tempo, but by the end of the season they drew praise from many a larger school. In fact the team won ten to eight losses and shared the Little Big Four League honors with Port Clinton. They closed their season by acting as host to the Northwestern Ohio Sectional and District Tourney on March 5, 6, 12, and 13.

The Redmen started their season on their own floor, playing Bowling Green on December 4. Stunned by a slow start, they were defeated 38-26.

The following week at Lorain on December 8, the Redmen were defeated for the second time, 41-28. Bob Green led the locals with 9 points.

Tiffin Columbian edged out the Redmen by the close score, 49-47. After leading all the way, we were defeated in a last splurge by the Columbians. Green headed the scoring with 13 points.

"At Last" was sung when the Redmen piled up a 60-40 score against Bucyrus. Frost led the victory, collecting 19 tallies. Green and Redd were also in there fighting, with 13 and 12 points.

In a nip-and-tuck battle, the traditional toughies, New Philly, handed the Redmen another defeat on December 18 in the local gym by the score 22-19. The local team evidently didn't get warmed up soon enough to "get in the groove."

OCTOBER 23: BELLEVUE—7, WILLARD—6

The Redmen scored a second consecutive win when they defeated the Railroaders from Willard by a score of 7-6. Sanders' sneak conversion after he had scored the touchdown late in the second period, provided the margin of victory. Jackson of Willard drove over the marker for the opponents in fourth quarter, but the conversion attempt failed.

OCTOBER 28: BELLEVUE—7, ST. MARY'S—33

An undefeated Sandusky St. Mary's team kept its record unblemished by defeating a scrapping Redmen team, 33-7. The visitors scored twice in the first period, once in the second, and a safety and two more touchdowns in the third. Bellevue's touchdown came late in the third period.

NOVEMBER 6: BELLEVUE—0, OBERLIN—20

The Redmen were literally snowed under by a barrage of passes in the final game of the season. Three of these accurate tosses found their marks for touchdowns. Two conversions made it 20-0.

THE FOOTBALL SEASON

Coach Harry Strobel, coming from Orrville, Ohio, with record seasons to his credit, routed the 1942 B.H.S. football material from summer jobs and put them under rigid training for the first tangle with Fremont on September 18.

From this time forward the team steadily improved, but was unable to defeat the stiffer competition. They scored their two victories over Upper Sandusky and Willard.

SEPTEMBER 18: BELLEVUE—0, FREMONT—42

The Bellevue Gridders opened their season against the tough, aggressive "Little Giants" of Fremont Ross. The Redmen suffered from "fumblitis," enabling Fremont to score twice in the first, second, and fourth quarters while holding the locals scoreless.

SEPTEMBER 25: BELLEVUE—6, TIFFIN COLUMBIAN—33

The Redmen dropped their second skirmish to a fast Tiffin team, even though Bob Redd ran back the opening kick-off to score Bellevue's first points of the season. Tiffin scored twice in the second quarter, once in the third, and twice more in the final frame.

OCTOBER 2: BELLEVUE—0, PORT CLINTON—26

In the first league game of the season, Bellevue ran into a menace named Gill who scored three of his team's four touchdowns. This was the first home game.

OCTOBER 9: BELLEVUE—0, NORWALK—7.

A single touchdown was the margin of defeat in this closely-fought contest. A dazzling 80-yard run by Bauman in the first period jinxed the Redmen's chances.

OCTOBER 16: BELLEVUE—7, UPPER SANDUSKY—0

A victory! A lone touchdown by Redd late in the final quarter of this game brought it to the Redmen.

In the CASTING DEPARTMENT, winning athletes are processed from the molten ore of awkward, inexperienced players. This department also boasts of instilling qualities of cooperation, strong bodies, and fair play in its products.

Emphasis being placed on physical fitness in war time, B.H.S. has carried out an inclusive intramural program with "Sports for All" as its motto.

LIBRARY CLUB—BOOKS FOR DEFENSE

With "Books for Defense" as its cry, the Library Club conducted its 1943 schedule, training its members in research study and library management. High school members acted as student librarians. The Library Club assumed increased importance this year, first when it had its own quarters in the study hall and later when the school library moved into its own newly equipped room, the former biology laboratory. Also 1943 was the first year a full-time, trained librarian, Miss Anderson, was in charge.

The club enjoyed a schedule of social and study meetings, in addition to services during school hours.

RED CROSS AFGHAN

CABINETS

These Girl Reserve products, 141 dynamic girls, are especially suited for heavy duty, having shown their usefulness in this year's activities.

They were promoters of a school spirit campaign, a series of meetings with speakers discussing vocations, service work for the Red Cross, a Gobble Hop, a Council Tea, a recreation night, an amateur program, a mother-daughter meeting, and a courtesy program at a Friday assembly. Some of the girls knitted six-inch squares for a vari-colored afghan, which was given to the Red Cross.

Cabinet members and several others received specialized training at Girl Reserve conferences at various camps during the summer of 1942.

The Girl Reserve Club aims to build character and prepare the girls for problems they will face in the future.

Within the factory, operates the Student Council with its principles of student government. Representatives of each home-room department make up this organization, which promoted the successful war stamp and bond campaign, honor study halls, dances after basketball games, and an all-school St. Valentine's party, and which acted as a clearing house for student problems.

Principal Masonbrink supervises their activities capably.

STUDENT COUNCIL

Organizations and clubs form a RESEARCH LABORATORY in the B. H. S. factory, where products are polished and new uses and abilities are uncovered. During the process, various public exhibitions are held to display them.

Although these activities can not escape change today, they continue to develop desirable qualities and hidden resources in the raw material, the students.

Thus the spark plug represents the activity, spirit, and spark of the typical American student at B. H. S.

EDUCATION FOR VICTORY

FOREWORD

The whistle is blowing, the time-clock is being punched, and the raw materials of Bellevue are being shipped in through the arched doors of B. H. S. Defense Factory, number 1943.

A vital institution in war time, this factory has production goals to reach by May 27 and is working on a 100% all-out-production basis. In an atmosphere of patriotism, the materials are worked and molded into the finished products, American citizens, who will take their places in winning the war.

DEDICATION

To the Students, Alumni, and Faculty of B.H.S.
in the armed services of the United States,
the Class of 1943
gratefully dedicates this Comet.
